COVID-19 BULLETIN

Please note the following policies are in effect until the [COVID-19](#) crisis has fully dissipated:

New patients will not be accepted.

In-person visits will not be scheduled.

For established patients, virtual visits with Dr. Sanders are available via [TeleMedicine](#).

Note: Due to limited community resources, requests for COVID-19 testing will not be approved simply for the asking. One or more of the following is a prerequisite:

- age 50 or above
- current symptoms
- recent travel history
- known exposure to the virus
- employment in a critical position
- other risk factors as determined by Dr. Sanders

Even when the prerequisite is met, final determination for COVID-19 testing will be made by Dr. Sanders.

We look forward to the end of the pandemic as much as you do. A notification will be posted here as soon as office visits are once again available.

Thank you for your understanding during this difficult time.
